TECH HUB HACKATHON

Presented by **Office DEPOT** FPL VARIS

JUDGES NAME: _____   **TEAM NAME:** _____

Please rate each from a 1 - 5 with 5 points being the most possible points in an area.

	Score (1-5)
Overall Value: The project will provide significant value to the city/county/municipality.	Score (1-5)
Impact: The team is clear about the problem being solved. The solution can affect a large number of people. The solution will make a big improvement in peoples' lives.	Score (1-5)
Functionality: The solution directly addresses the problem the team wishes to solve. The solution is intuitive and easy to use - simple, not overly complex. The solution doesn't do too much or too little.	Score (1-5)
Viability: The intended audience would likely use the product. The demo could naturally be developed into a working product. The team brings relevant experience and skills.	Score (1-5)
Innovation: The solution is unique; I've never seen anything like it. The solution is interesting, creative, and outside the box.	Score (1-5)

	Score (1-5)
Design: For customer-facing work, the aesthetic is professional and is on brand. For internal work (processes), it can be used by the business/organization in an intuitive way.	
Teamwork: The team seemed to be able to utilize the strengths of all members of their team to contribute to the outcome. No one person or another seemed to do it all alone.	Score (1-5)
TIE-BREAKER QUESTIONS	
Utility: The project is complete, technologically sound and can start providing value to the business right away.	Score (1-5)
Presentation: The presentation was clear, easy to understand, and effective.	Score (1-5)
Deadline: Did the team meet the submission deadline or were they a bit late?	Y / N
